MR. BRYAN hasn't yet discovered that a brick house fell on him. He is arranging his fences for another "go" in 1904.

If the oft-defeated Democracy is to be reorganized it ought to be renamed as well. How would it do to call it the Brypopracy?

IT is in order for President AGUIBALDO to congratulate would-be President BRYAN on the magnificent vote he received four years ago but didn't receive this year.

SUGAR has declined 30 cents and coffee \$1 a hundred since the election. This is an unusually heavy fall for coffee. But, let's see; do farmers use sugar or coffee?

THE investigation of the looting of the German National Bank at Newport is still in progress; and at last accounts the experts had discovered that Bookkeeper BROWN had not carried off the cellar.

AT Mr. BECKHAM's wedding t'other night acting State Treasurer HAGER had his pocket picked of \$50. The thief evidently thought that the man who drew the salary that belonged to another wouldn't object to a little thing like that.

It is most gratifying to know that Br'er MARSH's suggestion has been acted upon. A Washington dispatch says the Republican Ways and Means Committee has practically decided that the war tax reduction shall amount to between \$25,000,000 and \$30,000,000.

BY a most striking coincidence, Mr. BRYAN received this year 474,882 votes in Ohio, exactly the same number that he got four years ago. WILLIE ought to go out in the cowlot and shake hands with himself. When a man can hold his own that way in his opponent's home state, he's strictly in it.

SOME farmers have been howling for rain for the past four months; and now that it has rained off-and-on for about thirty-six hours, they are howling over the wet weather. Many of them are sorely distressed because they can't "shuck" their corn, having been too busy talking politics to do it during the fine weather.

Mrs. L. V. Davis has just received all the latest novelties in Millinery.

\$100—Encard—\$100.
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O., Sold by Druggists, 75c. Hall's Family Pills are the best.

John F. Lewis and Albert Roney baptized J. P. Keeton, one of the Election Commissioners of Carter county, in the chilly water of Tygart creek, near Iron Hills furnace, in payment of an election bet.

To remove a troublesome corn or bunion. First soak the corn or bunion in warm water to soften it, then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily; rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by J. J. Wood & Son, Druggists.

All new novelties in Millinery at Mrs. L. V. Davis's.

LISTEN, FARMERS!

The Ledger Offers You a Proposition That is Decidedly Fair.

A farmer in Wisconsin says he has adopted a plan of advertising in his home paper which has saved him much valuable time and brought handsome returns for the money invested. He says—

"When I am ready to sell anything I insert a little advertisement in the local papers telling what I have to sell, and if live stock, how many of each, and when they will be ready to ship, and the result has been that buyers are right after me, either personally or by mail, and naturally I get the highest price."

THE LEDGER has such faith in the efficacy of publicity that it submits this proposition—

If any farmer in Mason or adjoining counties—either in Kentucky or Ohio—has a farm or stock for sale, the advertisement will be inserted in THE LEDGER for one month if necessary.

If at the end of that time no purchaser can be found, the advertisement will cost nothing. If a purchaser is found, the seller is to pay for the advertisement at regular rates. Suppose you try it.

IN A SINK HOLE.

The Skeleton of Sadler, Who Disappeared Twenty Years Ago, Was Found.

Franklin, Ky., Nov. 24.—The finding of a skeleton here in a sink hole is supposed to explain the mysterious disappearance of George Sadler, who was lost sight of 20 years ago, and had never been heard from. Sadler served four years in the state penitentiary on the charge of mule stealing. He returned here, but afterward disappeared. Thursday a search was made for a bunch of stray hogs owned by Sim Temple. It was found that they had fallen in a sink hole. In an effort to get them out an excavation was made, and a skeleton was found. Part of the boots and clothing were left, which almost makes it certain the remains are those of Sadler.

POWERS' CASE SUBMITTED.

It Went to the Court of Appeals Without Oral Argument—The Howard Case.

Frankfort, Ky., Nov. 24.—The case of Caleb Powers was submitted in the court of appeals Friday without oral argument and with leave to the attorneys to file briefs on or before December 1. Ex-Congressman W. C. Owens, counsel for Jim Howard, appeared before the court and asked that Circuit Clerk Ford be compelled to furnish, free of cost to him, a transcript of the record in his case. The court passed the matter till next Tuesday, and extended the time for filing the record till December 4.

ARRESTED AT ST. LOUIS.

James Wheeler, of Paducah, Ky., Arrested on Suspicion of Being Connected With Late Hold-Up.

St. Louis, Nov. 24.—James Wheeler, who declares he is a railroad man from Paducah, Ky., was arrested at the Union station late Friday night on suspicion of being connected with the hold-up of an Iron Mountain train near Gifford, Ark., Wednesday night. Wheeler had \$400 in bills in his possession at the time of his arrest. Underneath his jeans trousers he wore a pair of overalls which were covered with mud. He explained this by saying that he had traveled over the mountains of Kentucky for several days prior to his departure for St. Louis.

Bogus Certificate.

Frankfort, Ky., Nov. 24.—Superintendent of Public Instruction McChesney has received \$300 conscience money, which he is in a quandary about, as there is no provision for disposing of it under the law. It was from an ex-teacher at Nashville, who formerly lived in Christian county, this state. The reason for turning back the money, the party says, is that his school certificate was bogus.

Straight Creek Shooting.

Pineville, Ky., Nov. 24.—Some malicious shooting took place at Straight Creek mines Friday morning over Alex Walker's wife, colored, and James Lifford, colored. Walker overhauled Lifford with his wife and begun shooting and shot Lifford four times. Lifford is not expected to live. Lifford's friends then shot Walker, and he is badly hurt. Lifford's friend is now in Pineville jail without bail.

Coroner McCullough Not Guilty.

Louisville, Ky., Nov. 24.—Coroner H. M. McCullough was on Friday afternoon found not guilty of the murder of George Owen, whom he shot and killed on September 24. The killing grew out of trouble between the McCullough and Owen families, who are neighbors.

Trotter Changes Hands.

Lexington, Ky., Nov. 24.—Clem Beachy sold to George W. Leavitt, of Boston, the three-year-old brown colt (Cyrano (2:23 1/4)), by Isaac (2:24 1/4), out of Lady Munsfield. This colt is a rare individual and has trotted miles close around 2:15.
